The Deputy Commr's letter indicates that the local municipal council claim the Sayarkatte building as their property and that they are not inclined to allow the Co-Society to have the use of it any more as the former want it for their use. But it will be seen from the Superintending Engineer's letter (encl to PWD) I that the building has been shown as ~~Govt building~~ Govt property even prior to 1870-71: and hence the Mcty can have no claim to the building. The Co-Society's request that the ownership of the building ~~should be~~ may be transferred to them and the Registrar of Co-Societies recommends the grant of their prayer free of cost. The Chief Engineer recommends that the building may be handed over to the Co-Society on the conditions proposed by the Superintending Engineer. Under the conditions the ownership of the building does not pass over to the Co-Society but they will be allowed to have the use of it a dinfinitum free of rent, provided they maintain it in good condition and this is to provide.

The Gudigars have already been granted a number of concessions by Govt, one of them being the supply of timber & bamboos for house building purposes. The D.C. reports that the Municipality has also given them free sites & that the Society has a reserve fund of Rs 500. On the other hand, the Municipal Council is said to be paying a rent of Rs 4 p.m. for the building in which it holds its office & is anxious to have the Cayot Katte building. In these circs, it seems not unreasonable to make over the building to a public body such as the Municipality rather than to a private society already helped considerably by Govt

15 The Regr. of C.S. may, I hope, be requested to report whether it is true that the Mpl. Council has granted free sites to the Gudigars & if so why they should not erect their own building out of their reserve or other funds & the free supply of timber & bamboos from Govt. forests.

N.Madhava Rao,Esq.,B.A.,B.L.,
Chief Secretary to Government of Mysore,
Bangalore.

Sir,

With reference to Government Order No.I.C.321-24/C.S.117-25-5 dated 14th July 1926,according permission to the Sorab Gudigars' Co-operative Society to occupy the Sayarkatte building free of rent for a further period of five years from September 1926, I have the honour to state that the period will expire by the end of August 1931. The building being centrally situated has enabled the society to develop its business. The members of the society have, at their special meeting held on 13th February 1930 resolved that Government be requested to grant the building free of cost to the society. A copy of the resolution is, herewith, enclosed for kind information.

I may add in this connection that the Sagar and Sorab Gudigars' societies are the only societies of their kind in the ~~Province~~ State and, in view of the importance of preserving and encouraging the art of sandal wood carving, amply deserve the concessions shown to them by Government. I request that Government may be pleased to consider the resolution in question sympathetically and grant the said building free of cost to the society.

I have the honour to be,
Sir,
Your most obedient servant,

To

CHIEF SECRETARY 14 JULY 1930

N. Madhava Rao.,Esquire.,B.A.,B.L.,
Chief Secretary to Government in Mysore,
Bangalore.

Sir,

C/147

With reference to your letter No.dated 12463-4 C.S. 147-29-2 dated 8-5-1930, calling for my opinion in the matter and handing over the Sayarkattem building at Sorab free of cost to the local gudigar Co-operative Society, I have the honour to state as follows:-

The Sorab Municipality has already encouraged the gudigar co-operative society for a period of 5 years by permitting the society to occupy the sayarkatte building free of rent. When I was last at Sorab, the Co-operative Society made their representations to me about further extension of this ~~priority~~ privilege. The Sorab Municipality has no building of its own and is holding its meetings in a rented building paying Rs.4/- a month. The Sayarkatte building, which is now occupied by the gudigar Co-operative Society, is centrally situated and if improved a little, will serve both for holding the municipal Office and collecting Octroi and the municipality therefore wants this building back. Besides the municipality seems to have granted building sites free of cost to the gudigars for the purpose of encouraging them. The Society also seems to have a reserve fund of Rs. 500/- at their credit.

Under these circumstances the municipality are not in a mood to further extend the concession shown to the Society, much less to permanently hand over the building for the use of the Society.

Under these circumstances I am afraid the Society has to erect its own building or hire another, as it seems to have the

means to do so.

I have the honour to be,

Sir,

Your most obedient servant,

Offg.Deputy Commissioner,

Shimoga District.

HRR/28th.

Letter No.73 dated the 18th July 1930, from the Superintending Engineer, Shimoga Circle, to the Chief Engineer of Mysore, Bangalore.

With reference to your No.14068 dated 16th May 1930, calling for a report in the matter of handing over the Sayarkatte Building at Sorab permanently to the Gudigar Co-operative Society free of cost, I have the honor to state that the building in question is an old one, which has been appearing in the building register even prior to 1870-71, its exact date of construction not being ascertainable with its capital cost fixed at Rs.200/-. The building is of mud walls and mud floor with country tiled roof supported on jungle wood rafters The accommodation consists of two rooms of 24' x 8' each and the area of land belonging to this building measures 75' x 33' as reported by the Executive Engineer.

2. I inspected the building on 8-6-30 and the members of the Society prayed for the building being given to the Society free of cost.

3. As it will encourage the art of Sandalwood carving for which Sorab is famous, the building with the compound as requested by the Registrar may be given to the Society free of cost, on condition (1) that as soon as the Society ceases to exist the building is returned by the Registrar to the P.W.D. (2) that it continues as Government property and should not be disposed off by the Society, (3) that the Society maintains the building and the compound in a fit condition by carrying out the repairs annually, (4) that previous permission of this Department is obtained by the Society before any improvements, alterations, etc., are executed, and (5) that when there is a need for it to be returned it should be returned free to the Department.
